

Release Notes 2.4.0

May 16, 2005

The following items have been moved (migrated) to Production for use by Agencies beginning on May 16, 2005.

- The Personnel Payroll Reconciliation program was implemented. This program processes a file provided by DFAS containing personnel and payroll information, compares the data from the DFAS file to the data in EHRP and reports the differences.
- The special salary rate tables loads were updated per new OPM requirements effective on May 1, 2005. Special rate tables that were abolished were inactivated
- Loaded the following wage grade salary tables into EHRP:
 - 112R
 - 034R
 - 010R
- Added PAR Remarks B73, B74 and B75 for Creditable Service for Annual Leave Accrual.
